

KESDEE launches a comprehensive e-learning course library on Financial Planning

URL: <http://www.pr.com/press-release/43523>

San Diego, CA, June 29, 2007 --([PR.com](http://www.pr.com))-- KESDEE has launched an exhaustive and interactive e-learning course library on 'Financial Planning', consisting of nine courses. The course developed, provides essential insight into planning "finance", both as an individual saver, and as an investor. It is primarily targeted at individuals who want to improve their financial planning skills.

KESDEE Inc., a leading provider of e-learning courses in Finance, has launched its Financial Planning e-learning course library. These courses teach strategies to help recognize financial goals and hence plan finances in a way, which best suits, the need.

This course library on Financial Planning consists of 9 courses, which include:

1. Introduction to Financial Planning
2. Analyzing the resources of the person
3. Basic concepts in Financial Planning
4. Financial products for savers
5. Financial products for investors
6. The psychographics and life cycle of the investor
7. Goal achievement, Investment objectives & Investment constraints
8. Tax planning
9. Model portfolio

Each of these courses is self explanatory with interactive exercises and quizzes at the end of each concept to test your progress. Moreover real life examples make it easy to relate the concept with the actual working. A set of measurement tools– simple & compound interest, financial analysis, net worth, savings, retirement planning & cool million, comes handy with inbuilt formulas for calculating financial numbers.

This course library has been authored by Dr. Rachana Baid, Faculty at Indian Institute of Capital Markets (IICM), Mumbai.

KESDEE Inc. provides Turnkey solutions for Knowledge Management to global Banking and Financial Services Industry. KESDEE's off-the-shelf catalog consists of 500 accredited e-Learning courses on various topics in Banking, Finance, Accounting, Insurance and Risk Management. These courses are organized into 44 course libraries and span about 1500 hours of e-learning.

The courses serve both as a ready reference material and as a learning tool and can be customized to meet organizations' needs in terms of look-and-feel, content and technology. These can be customized/localized and branded with private label portal (incorporating Client's logo, color and look & feel).
