The present agreement allows the courses -- which are prescribed for respective certifying courses -- to be sourced for learning, and approved for continuing education credits by the ICB, (search with Kesdee/accreditation/ICB at www.kesdee.com for the comprehensive grid on KESDEE's respective courses for ICB's certifying courses, and continuing education crediting).

As a result, the professionals registered for certification programs at ICB will have instant and exhaustive access to the KESDEE's e-learning courses that form the integrated curriculum of their certification courses.

With this important accreditation, both KESDEE and ICB hope to realize their individual objectives, and the collective vision: "knowledge enrichment and professional excellence across Banking and Financial Services Industry."
