All professionals holding these certifications have convenient access to KESDEE's accredited, cost effective e-learning courses.

The e-learning courses accredited are on topics such as

- Bank Management
- Global Financial Markets
- Corporate Treasury Management
- Credit Risk Management
- Market Risk Management
- Operational Risk Management
- Financial Products

KEDEE offers self paced e-learning courses that are highly engaging and interactive.

The value proposition of KESDEE's e-Learning courses are "e-Learning, Not e-Reading" and incorporate several job aids for "Learning at the point of need."

This accreditation allows KESDEE's e-learning courses - which are prescribed for respective certifying courses - to be sourced for learning, and approved for continuing education credits by the ICB, (search with Kesdee/accreditation/ICB at [www.kesdee.com](http://www.kesdee.com) for the comprehensive grid on KESDEE's respective courses for ICB's certifying courses, and continuing education credits).

With this important accreditation, both KESDEE and ICB hope to realize their individual objectives, and the collective vision: "knowledge enrichment and professional excellence across Banking and Financial Services Industry."
